Steeldor single and double personnel door-sets are designed for internal and external use to enable entry and exit. Each is built to order, individually constructed with a choice of hardware, frame, threshold and panel options, including louvre, vision, over and side panels - information sheets available on request.

Typical **Steeldor** door-set specification

Rebate frame

(See Figs. 1, 2, 3 & 4) Typical door configuration consists standard rebate frame assembly, for either single or double door-sets. Made from lightweight, high tensile 'Rustec' steel and powder coat finish, it also has an "Adjust-2-Fit" side expander system that offers 6 adjustable fixing positions.

Various frame depths and styles available - including double rebate frames (see frame specification sheet).

Manufactured from 1.5 mm thick 'Rustec' steel. Single rebate 104mm wide frame with additional rebate for flush lip.

A minimum of six fully adjustable fixing points are provided to each jamb - extra fixings available on request.

Unique 'Adjust-2-fit' side channels with each frame.

Leaf

44mm door leaf thickness, fitted with a flush lipped astragal for added security. Comprising of 2 x 1.2mm 'Rustec' steel sheets, the leaf is internally bonded with a dutch fold stitch welded system providing greater stability and protection against de-lamination.

42mm thick 'Hexatex' core.

Industrial door threshold - 96mm

(See Fig. 3) Standard aluminium threshold is Part M compliant and is fitted with a neoprene seal for outward opening door-sets.

Weight

31kg/m² with 'Hexatex' core. An upgrade to a Rockwool Core is also available offering 1.9 U value.

Door ironmongery

BS 7352 Grade 13 stainless steel, twin bearing template drilled butt hinges with integral high security dog bolts are fitted as standard with CE marking. Other hardware on request added.

Finish

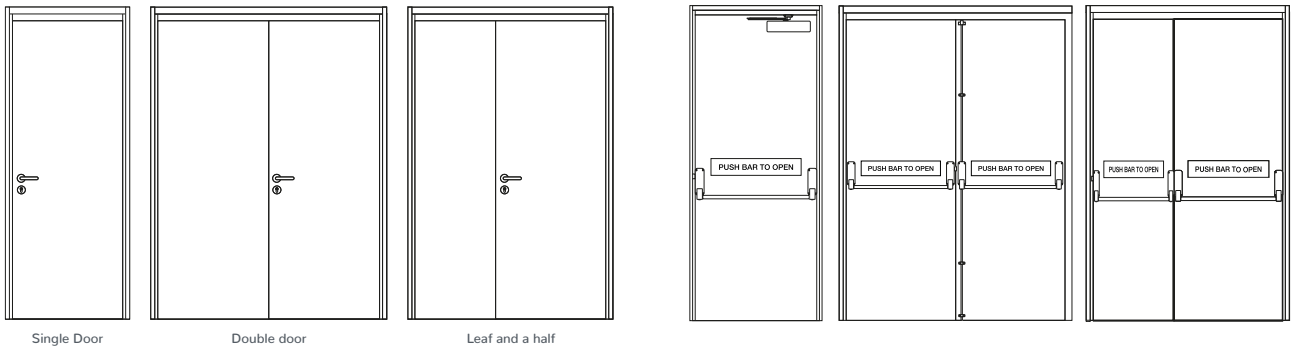

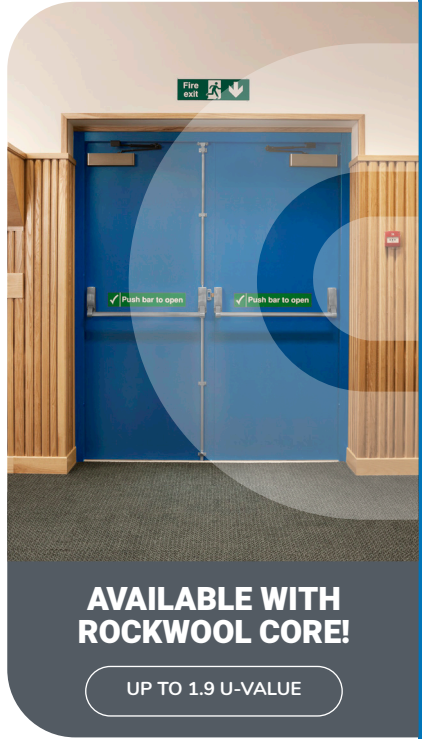

Supplied inclusive of a powder coated finish in a standard colour. Full range of RAL and BS colours available.

Seals

Strongdor self adhesive P-seal provided as standard.

Side panels and over panels (optional)

Solid, glazed and louvred side and over panels available.
