Lever Door Handle on Round Rose

Features

- Clean, Contemporary Look – The neatly mitred lever and round rose create a striking, minimalist aesthetic.
- Made from 316 Marine-Grade Stainless Steel and manufactured with an extra finishing process, this solid handle is built to withstand coastal air, acidic timber, and heavy use.
- Compatible with multipoint door locks for convenience, with dual sprung action.

Satin Stainless Steel

Matt Black Lacquer

Offset 'T' Bar Pull Handle 1200mm

Features

- Minimalist, Uninterrupted Design – No middle stem means a clean, streamlined aesthetic that won't interfere with your locking mechanism.
- Heavy-Duty Strength – A 1.5mm stainless steel wall thickness gives this heavy-duty door handle a reassuringly solid feel, perfect for high-traffic entrances.
- Secure, Long-Lasting Fixing – Brass bush fixing ferrules prevent the handle from loosening over time, ensuring a firm, stable fit.
- Super-Satin Finish – An extra finishing process creates a smooth, refined surface that resists corrosion and adds a premium touch.
