Hooply 95 CEFIRO 3 Point Locking Sashcase

The Hooply Cefiro 95 lock is a sturdy 3 point sashlock designed to create peace of mind. It's 28mm faceplate adds to its strength and also comes with a reversible latch as standard, so it can be used for doors handed both left and right. When you require a multi point lock that is functional and strong, this Hooply Cefiro 95 is a great tried and tested option.

Features

- 28mm Faceplate
- 85mm PZ centres
- 60mm Backset
- Operated by Euro Cylinder
- Reversible handing
- 85mm Centres
- 3 Point locking system incorporated into one sashcase
- Interchangeable latch is suitable for both door handings
