### TECHNICAL SPECIFICATION

Single & double glazed glass

Fire-rated options available

Security-rated options available

Fixed or removable panel options

Facing oversized doorways or craving more light? Our structural panels are the solution. Reduce door sizes with ease or boost natural light by adding a glazed top or side panel. They're also perfect as stand-alone partitions to fill redundant doorways effortlessly. Both our solid and glazed panels can be made up to 2980mm in one direction and up to 1320mm in the other direction. Measurements above can be applied to either width x height or height x width.
