RIVERSIDE ENTERPRISE PARK LINCOLN

FIXED PRICE STEEL SECURITY DOOR

Situated to the North West of Lincoln, Riverside Enterprise Park is a 5.8 acre (2.3 hectare) development, just five miles from Lincoln City Centre and close to the village of Saxilby.

The site comprises of both new build units and existing portal frame buildings, which are stripped back before being re-clad and refurbished to a very high standard.

Visible from the A57 trunk road, the Park has been created by Stirlin Developments, to provide premises for both local and national businesses wishing to establish a foothold in this agricultural heartland.

Based in Lincoln, Stirlin is a growing company that is involved in both residential and commercial building work. For the Riverside site, they mainly specified doors from the Fastdor+ range, based on its quality, ease of fitting and excellent pricing.

With the first units now occupied and pre-sales of £1.8 million for floorspaces starting from 190m², the first phase of the Enterprise Park is proving to be a huge success. So much so that work on a second phase is already underway.
